

# MISSION TRIP LEADERS

## *Do you have a servants heart?*

Our ministry needs God's chosen people to organize and lead a group on a mission trip to rebuild homes and lives from disasters past. All the hype is gone from Hurricane Rita and Ike, but many people are still without their homes. Nehemiah's Vision still continues it's rebuild efforts in Southeast Texas and desperately needs groups (large or small, skilled or unskilled) to dedicate time to God's rebuild ministry.

We will give all the tools you need to draw the interest and conduct a successful and glorifying mission trip for both the volunteer and Our Lord. There are no requirements to be a leader, just a passion to serve those in need. Is God leading you to step forward and say "Yes, I understand the need, and believe I have what it takes to promote and execute a glorifying rebuild mission trip for the volunteer, the home owners, and our Lord Jesus Christ?
